FOOT			1		

2353 sk & pieces. All ^{unfused.} imm. probably from 2 skulls
- both fros,
- both sq., one occ, par, from 2.

874 See note back sheet p2. Pig.

892 axist ? wild boar. Measurements p.
- both large. Keep & show S'ton
(- can't see why these aren't on
the record sheet. too late now)

There's a small hole 3.0 x 1.3 by m'
I really am unsure about m' in pgs.

15th M23 F10 892 R

U E 3
first with U, but last part still below bone.

" " L (v) d v c 2/3

U
Rather immature, but I think usable

calc QL 69

2607 tib Sp 22.1 Bd 29.2
55% - prox end unfused, but is so few
I wld measure it the bone
was broken & it looks nearly
full grown.
